

Get your energy bill under control

Free workshops for U3A groups, run by COTA and the Energy Info Hub.

Participants will:

- Find out **four simple steps to save** on electricity and gas bills.
- Get help to apply for the Victorian Government's **\$250 electricity payment**.

To book a workshop, contact COTA:

The independent Energy Info Hub and COTA, in partnership with the Victorian Government, are supporting older people to control their energy bill and apply for the \$250 Power Saving Bonus.

About the workshop

The 30-minute online workshop simplifies energy, helping participants:

- Access energy concessions
- Get cheaper prices
- Save energy
- Understand their rights

At the end of the workshop, COTA and Energy Info Hub will be available to help participants apply for the Victorian Government's **\$250 Power Saving Bonus** over the phone.

Who is eligible for the \$250 Power Saving Bonus?

You can apply if you have a:

- Centrelink Pensioner Concession payment
- JobSeeker payment
- Department of Veterans Affairs Pensioner Concession payment (or card)

What do you need to apply for the payment:

- Your concession card
- Your electricity bill (not a reminder notice)
